Homes for Sale 86 WOW! That's what you will say when you see this 2 bedroom and den home on Madrid. When I say Madrid I don't mean where the train runs down the middle of the street, I mean the Tree and Park section. The den is 19x25 and has a large barbecue and fireplace and don't be fooled by the exterior of this home, it's bigger than it looks. It has a 9x10 service porch, two ample bedrooms and a dining area off the living room. It has a single attached garage on a front lot that can be converted into more living room area because it has a beamed ceiling. This is the only garage can be put on the rear of the lot. The kitchen is bright and airy without disturbing the lovely carpet and tile. The bedrooms are only asking \$12,500 full price are only \$10,000. The lot is worth at least \$7500.
